

FF ANTI-SLIP

**Water-based anti-slip agent.
Recommended for hard surfaces.**

DESCRIPTION

FF ANTI-SLIP PRO AGENT is a concentrated, water-based anti-slip solution that does not need to be rinsed off, is non-aggressive and leaves no visible changes on the surface. It is used to prevent and reduce the risk of falls. It can be used on most hard surfaces (varnished parquet, ceramic, stoneware, marble, resin, microcement, PVC, LVT, etc.) Furthermore, thanks to its formula, it does not stain or leave marks.

APPLICATION

Shake well before use. Clean the surface thoroughly, using a non-invasive detergent (e.g. **FESTCleaner**) and allow to dry. Dilute **FF ANTI-SLIP PRO AGENT** and then proceed with the application.

Pour 3 capfuls (150 ml) per 1 litre of water.

Recommended frequency of application:
repeat the treatment as necessary and at regular intervals.

TECHNICAL DATA

- Consumption: 1 L - 70 m²
- Storage stability: 1 year in original sealed containers at +10°C to +25°C

PACKAGING

FF ANTI-SLIP is available in 1l bottle.
